**Re: Attorney Docket: BANG2 CON.**  
**Application of Leonard Reiffel for**  
**Dual Mode Data Imaging Product**

Dear Sir:

Transmitted for filing herewith is the above-captioned patent application including one sheet of formal patent drawing and an executed Declaration and Power of Attorney.

A check in the amount of \$385 to cover the filing fee is enclosed.

The filing fee was calculated as follows:

<u>Base Application Fee</u>	<u>Number Filed</u>	<u>Number Extra</u>		<u>Rate</u>		\$ 385.00
Total Claims (up to 20 without surcharge)	8	0	X	\$9	=	0.00
Independent Claims (up to 3 without surcharge)	2	0	X	\$43	=	<u>0.00</u>
Total Filing Fee						\$ 385.00

This specification is termed a continuation application although it is not identical to the parent application. However, it is believed that no new matter has been added.

Sincerely yours,

  
William J. Hallihan
